

My pup is staying, what do I need to know?

All of our boarding guests enjoy the privacy of their own suite where they can relax and be pampered by us. LOTS of play time/potty time is given throughout the day to ensure your dog is comfortable, happy and has the attention of our caring staff. We have 24 hour staff on site and will happily send you pictures of your pooch while you are away so you can check in on them. 😊 *Just a note – aggressive dogs towards people or other animals will not be accepted, we have a very social environment and want to keep it that way. Aggressive dogs will be required to be picked up immediately by yourself or a family member.*

Boarding 1st dog: \$50.00 a night

Additional dogs (staying together): \$30.00 a night

What to bring:

- Your dog's usual food (changing their diet may upset their stomach) **in ziplocs per feeding or a sealable container with name**
- **Current vaccinations: Rabies, DHLPP, bordetella (flu vaccine only if your vet recommends)**
- Ensure your dog is on a flea/tick preventative and parasite plan (we play outside)
- We stock plenty of cots, bedding, bowls and treats – you don't need to bring all that from home 😊

Our office hours are Monday – Friday 7:00 a.m. to 7:00 p.m. and Saturdays from 11:00 a.m. to 2:00 p.m. Check holidays hours, they vary.

Boarding drop off and pick up are confirmed a week ahead to ensure the room is available for each visit, please keep these times. Thank you.

Please don't allow your dog to use the bathroom near our entrance – this causes a chain reaction and all other dogs do the same! There is a grassy area on the right hand side of our building – please use that area if needed.

What does boarding include?

Your pup will get to play outside and have fun and then settle into their suite and relax after a full day of attention from our team. Dogs are fed breakfast and dinner and we are happy to meet any additional feeding/oral medication requirements your dog may have. If your dog is new to boarding we will make every effort to ease the stress of being away from home by providing love and attention and hopefully help them make a friend or two while they stay. Don't want your dog interacting with any other dogs? – That's okay too – we can spend one-on-one time with them. 😊 And again – we are happy to send you pictures during their stay so you can rest assured they are doing well.

Additional Services We Offer:

- **Bedtime frozen pumpkin treat** **\$4**
- **Daycare (must be an active daycare member)** **\$10**

Safety? We monitor all activity at all times to ensure your dog is safe and happy. We have two veterinarians on call that we can reach out to anytime. If there should ever be a reason for concern – we will call you immediately and get veterinary counsel. A staff member is on site 24 hours a day. You should be confident that we will treat your pup just like one of the family. Our indoor playrooms are surrounded by 2-door barriers and our 15,000 square foot outdoor facility has 8 foot tall fencing with a 2 foot wide ground fence attached, no one getting over or under!

From Us to You... We are dedicated to providing the highest quality care for your dog and the best customer service to you! If you ever have a question or concern we encourage you to bring it to our attention. Thank you for choosing ALL FUR Fun!
