## **Medicine Info Sheet**

All dogs staying with us that take medicines of any kind will need a completed medicine sheet. Please complete one sheet per dog with proper dates, a.m. & p.m. instructions and description of type of medicine.

If you have given the medicine prior to drop off - note on the sheet.

If you will be giving the medicine after pick up - note on the sheet

Our staff will use your instructions to give meds as you have specificed and initial after each dose is completed.

Please bring pill pockets, cheese, etc, if you use that at home
