

GROOMING WAIVER

Although accidents are very rare, there is a risk when dealing with animals. Grooming equipment is sharp, and although we use extreme caution and care in all situations, possible problems could occur including cuts, nicks, scratches, quicking of nails, etc. In most cases this can happen when an animal is wiggling or moving around.

Your pet's safety and comfort is our number one priority. In the event an accident does occur, you will be notified of the accident. If All FUR Fun feels it is serious, and the owner is not available, we will seek immediate veterinary care for your pet with the closest vet clinic.

Animals with severely matted coats require extra attention. Mats in an animal's coat grow tight, and can ultimately damage and tear the animal's skin, which provides a breeding ground for parasite infestations.

All FUR Fun will not cause serious or undue stress to your pet by dematting. Mats can be very difficult to remove, and may require the pet to be shaved. Removing a heavily matted coat can cause nicks, cuts or abrasions due to skin growths trapped in the mats. Heavy matting can also trap moisture and urine near the pet's skin allowing mold, fungus or bacteria to grow, producing skin irritations that existed prior to the grooming process.

After-effects of mat removal procedures can include itchiness, skin redness, self-inflicted irritations or abrasions and failure of the hair to regrow. In some cases, pets may also exhibit brief behavioral changes. Prevention is the best defense by scheduling regular grooming appointments, every 4-8 weeks. If your pet needs to be shaved to remove matting, by signing below, you acknowledge that you agree to this procedure, and any risk. There may be an additional charge for this process due to extended time required by our groomers.

As Always, All FUR Fun makes decisions based on the best interest of the dog and it's welfare. We strive to provide a safe, healthy and happy environment for all our furry guests.
